Ball valve: Stainless 1.4404  
Ecoulement: DN32

792 3643

Eye shower, wall mounted

Pressure: 2,4-7 bar  
Flow: 10 lit/min  
Connection: DN15  
Ecoulement: DN32  
Ball valve: Stainless 1.4404

822 3704

Eye-/face shower, freeze resistant mounted valve

Pressure: 2,4-7 bar  
Flow: 26 lit/min  
Connection: DN15  
Ball valve: Stainless 1.4404

## Body shower stainless steel

795 7915

Body shower, wall mounted

Pressure: 2,4-7 bar  
Flow: 76 lit/min  
Connection: DN20  
Ball valve: Stainless 1.4404  
Douche: Plastic Acetal

Body shower, freeze resistant mounted valve

Pressure: 2,4-7 bar  
Flow: 76 lit/min  
Connection: DN20  
Ball valve: Stainless 1.4404

822 3720

Body shower, ceiling mounted

Pressure: 2,4-7 bar  
Flow: 76 lit/min  
Connection: DN20  
Ball valve: Stainless 1.4404  
Douche: Plastic Acetal

795 7916

Body shower, floor mounted

Pressure: 2,4-7 bar  
Flow: 76 lit/min  
Connection: DN25  
Ball valve: Stainless 1.4404  
Douche: Plastic Acetal

795 7914

822 3654

Hand shower, wall mounted, hose 2 m

Pressure: 2,4-7 bar  
Flow: 20 lit/min  
Connection: DN15  
Handle/Valve: Chrome brass

# Comined showers in stainless steel

797 6172

797 6168

Combined showers body, eye, face  
with safety mixer for tempered water  
for eye- / face shower
